

School Lunch Form

Chapel St Schools are committed to serving wholesome and nutritious meals. At Kingston we offer a variety of options including vegetarian and halal dishes. We are currently in a catering contract with the YMCA.

You will be able to view the menus ahead of time and the children will be asked each morning what they would like that day (usually from choice of 2 options.)

Food is prepared from scratch and we are committed to meals being healthy, nutritious and delicious. There is a meat and vegetarian option and halal dishes are available for families who request this. **Please indicate this as a dietary requirement on your child's admission form.**

Since September 2014 all children up to, and including Year 2, receive a free meal from a government funding initiative.

Please complete the slip below to indicate your preference and return it along with your registration forms:

Child's Name: _____

Parent's Name: _____

PLEASE TICK AS APPROPRIATE:

Yes, I would like my child to eat free school dinners

No, my child will bring a packed lunch

Regardless of your choice, **please indicate any dietary requirements on your child's admission form.** From time to time, we do food activities in class and it is useful for us to know what your child can and can't eat before their teacher plans an activity involving food.
