Our Vision

Transforming the lives of our pupils and their communities by helping them achieve their utmost, celebrate their talents and become the best that they can be.

KCS has a Christian ethos, serving families of all faiths and no faith; calling all to serve the good of our pupils and the local community.

Chapel St Family of Schools are committed to developing schools that provide first class education with a twenty-first century Christian ethos. This simply means we offer a place of openness and learning, gathering pupils and families from all backgrounds and work together for the good of the whole community.

Thank you for being part of the vision and helping to make it a reality.
